## THERE'S MORE BEYOND THE SKIN

We choose the best potatoes. We slow cook them in a special oven to yield a soft centre and a crispy, flavourful skin. We whip them with Ligurian extra virgin olive oil, then we stuff them with creative fillings, using fresh seasonal ingredients from local producers.

Our recipes are inspired by the Italian gastronomic tradition, to satisfy all needs. Ours is a sustainable kitchen, with no waste, no plastic, always conscious of our environmental impact.

We strive to provide the best, from our dishes to our venues, to give everyone a place at the table. We create a unique and simple restaurant experience that brings together great flavour and conviviality. Poormanger is not only a restaurant – it's a place to feel at home, among friends.
